Convoy of Hope was founded in 1994 by Hal Donaldson. His inspiration for starting the organization can be traced back to the many people who helped his family after his father was killed by a drunk driver in 1969. It is Convoy of Hope's privilege to work with churches, businesses, government agencies, and other nonprofits to provide help to the impoverished, hungry, and hurting. As a faith-based, international humanitarian-relief organization, our goal is to bring hope to those who need it most.

CHILDREN'S FEEDING

HOPE BEGINS WITH A MEAL

Convoy of Hope wants to see lives changed — free from poverty and hunger — through our Children's Feeding initiative. We know food security is a critical component of a thriving community, as it increases the likelihood that children can stay in school, among other positive outcomes.

AGRICULTURE

HOPE IN EVERY HARVEST

We train and collaborate with agricultural workers in communities facing vulnerabilities related to poverty, climate shocks, and slow-onset disasters. We work with them to identify agricultural solutions to increase crop yields and further strengthen communities' food security.

WOMEN'S EMPOWERMENT

HOPE FOR EVERY WOMAN

When women are given the opportunity to generate income, it impacts the economic standing of their families and communities. We partner with women to help develop sustainable resources which they can leverage to make more strategic, independent life choices.

DISASTER SERVICES

HOPE IN EVERY STORM

Convoy of Hope's Disaster Services team is consistently among the first to respond to disasters. Highly regarded for our scalable response and distribution model, we utilize our eight international warehouses, four domestic warehouses, a specialized disaster response fleet, and a highly-trained team of staff and volunteers to respond quickly and effectively.

COMMUNITY EVENTS

HOPE STARTS HERE

At our Community Events, thousands of Guests of Honor receive free groceries, health and dental screenings, haircuts, family portraits, hot meals, job and career services, and much more. These events strengthen communities by meeting the immediate needs of local families and creating opportunities for future collaboration between local entities.

RURAL INITIATIVE

HOPE FOR RURAL COMMUNITIES

We resource, empower, and partner with rural communities by training, mentoring, and coaching key stakeholders. Our goal is to train leaders to help the working poor and strengthen their communities.
